Isaac and co are somewhere in the middle of Weyward when Isaac randomly decides to express his love to Mia. Garret and Ivan are his loyal and faithful servants and vow to help him get the girl.

Isaac: I think I love Mia

Garet: Oh... I thought you loved Jenna...

Isaac: No, I changed my mind! Can't a man do what he wants these days? Anyways, I need you and Ivan to help me get Mia. I can't seem to get her to go out with me!

Ivan: Wait. What are we talking about? *mind reads* Oh, so you like Mia now? Yeah, she's a hottie.

Garet: Well, you're the leader Isaac, and we're forced to cooperate with you.

Ivan: Don't worry Isaac we promise we'll get Mia to go out with you. How can she not like you with your good looks and charm?

Isaac, Garet, and Ivan go off to find out if Mia likes Isaac.

Mia: What up!

Isaac: Heeey. WHO DO YOU LIKE? Never mind pretend I didn't say that! *runs away*

Garet: What was the point of that? He can't even hear her answer...

Ivan: *mind reads* *I don't know who she likes, but it wasn't Isaac anyway.* Damn you Mia making it all complicated and love triangley!

Mia: Watch your language young man!

Ivan: Oh I'm sorry Mia! Back in Kalay I was never allowed to say words like \$\$ or S&!# or -

Mia: Please just stop...

Ivan: I hate Hammet. I'm glad he's in Lunpa!

Mia: *shocked*

Garet: Ivan did you complete mission FMTGOWI?

Ivan: ?

Garet: It's super secret! I can't just say it out loud right here!

Ivan: ugh *Mind reads* *Mission Force Mia To Go Out With Isaac.* No, not yet...

Just then Mia walks over

Ivan: Mia halt! Garet and I are forcing you to got out with Isaac.

Garet: This is on Isaac's orders and we do everything he tells us!

Mia: but I don't wanna...

Isaac approaches the group

Isaac: Mia I love you and we are an item, because I said so!

Mia: but...right now I love—

Isaac: Silence! OBEY ME or else I will kick you out of the party.

A couple of days or so later

Garet: I'm so jealous that Isaac is the one that gets to date Mia

Ivan: me too...let's stop doing what he wants

Garet: Yeah! I'm tiiieerrrd of being his freakin slave

Meanwhile, somewhere in Weyward Felix and co are wandering around.

Sheba: It isn't fair! He jumps off a lighthouse for me and everything!

Felix: Oh, Piers, you're the ONLY one for me.

Piers: Felix, I love you

Felix: Oh, Piers

They gaze longingly into each other's eyes

Sheba: Felix! You're supposed to love me!

Jenna: Aww... poor Sheba. At least I have a loving, faithful, loyal man. I hope.

Ivan: *mind reads Garet*

I wish I was the one going out with Mia

Ivan: Hey! I wish I was the one going out with Mia!

Isaac: I AM the one going out with Mia, so just shut up.

Mia: Do I even get a say in this ?

Isaac/Garet/Ivan: No!

Ivan: buuut pretending you did... which one of us would you chose?

Mia: I uh...Well...I guess we could all go out!

Isaac: letmethinkaboutthis no

Ivan: yeah no

Garet: NO WAY

Mia: Ok, it's settled you can duke it out like real men.

Felix: well we lit the Jupiter lighthouse. I thought Isaac would be here to stop us, but I guess not.

Sheba: I had a feeling they would, but I guess I was wrong.

Piers: Maybe they died

Jenna: Or maybe Isaac has a new girlfriend that's not meeee! *Cries*

Felix and co walk out of the lighthouse only to see Isaac/Garret/Ivan fighting each other and Mia watching.

Sheba: What's going on here? Why are they fighting each other?

Mia: Oh those silly boys are just fighting over me!

Jenna: WHAT! I knew Isaac was cheating on me.

Jenna shoots a fire bolt at Isaac. Isaac is felled.

Jenna: I am SO mad right now

Meanwhile during the fight Felix is having a discussion with Piers.

Piers: Why? *Sniff* Why are you breaking up with me

Felix: Simple. You're old. You're like a billion times older than me.

Piers: *astonished* You're breaking up with me because I'm old?

Felix: *Confused* Isn't that what I just said?

Sheba: YAY! You can go out with me now :D

Ivan: well it's just you and me now

Garet: yeah, let's finish this

Ivan: is it really worth it?

Garet: what?

Ivan: Is Mia really worth fighting each other? Sacrificing our friendship? That's what this whole quest is about. Working together. And look what we're doing. Look what MIA is doing to us!

Ivan begins to tear up a little bit

Garet: I guess you're right, it's not really worth it. Let's forfeit

Ivan: haha you forfeited and looks who gets to go out with Mia noow! *Does a little dance*

Garet: You little manipulative twerp! Arrg...

Mia: *How am I gonna get out of this one?*
